December 2024 (Issue #7)

MERRY
Christmas

hope

*The people who walked in darkness
have seen a great light; those who
lived in a land of deep darkness—
on them light has shined.*

Isaiah 9:2

advent

As we celebrate the Advent season, we are reminded of the hope that Jesus Christ brings—a hope that transforms lives and brings light to darkness. At Re-Forma, we are privileged to extend this hope by equipping church leaders worldwide with competency-based training that empowers them to lead with spiritual depth and practical wisdom with their own authentic faith and example. This Christmas, we celebrate the impact of these leaders who, like the shepherds of old, carry the good news of great joy to their communities.

Since our last Issue

Since our last newsletter (October 2024), we have visited Costa Rica for a Quality Assurance Institute.

As the year comes to a close, many groups have completed their outcomes and celebrate with graduation ceremonies. To date we have awarded 3,491 certificates globally to church leaders who have shown themselves competent for ministry. These church leaders go on to have significant impact in their local communities because of the training they have received from Re-Forma facilitators. What a joy to celebrate with them!
