

The Re-Forma

July 2025 (Issue #10)

Matthew 13:31-31

“The kingdom of heaven is like a grain of mustard seed that a man took and sowed in his field. It is the smallest of all seeds, but when it has grown it is larger than all the garden plants and becomes a tree, so that the birds of the air come and make nests in its branches.”

Total Groups: 4484

God's Growth

We are half way through 2025! Re-forma is excited to see God's blessing in providing exponential growth in 4484 different groups across 91 different countries each training on average around 27 pastors for ministry. We now have 9 different national country coordinators who are involved on the ground meeting and encouraging facilitators in their different regions. These facilitators in turn run groups using Re-forma material across 37 different outcomes which we believe will effectively equip pastors for biblical ministry. 4320 pastors have completed the outcomes and have received certificates. These pastors in turn impart what they have learnt to their congregations. All glory to God as we see His kingdom multiplying! As we grow we require additional resources. We are trusting God for his provision to keep the vision going and to raise up new donors to continue to support Re-forma.

Since our Last Issue

- Quality Assurance Training Institutes were held in Brazil, Argentina, Kenya and Malawi. Some of our National Coordinators including Maggie, James, Philipo, Christian and Chris assisted in conducting these. They have also held several successful events for vision casting and training in the above-mentioned countries as well as in Nigeria and Rwanda.
- Our next QATI will take place from the 15th to the 18th of July in Burundi in partnership with the Association of Evangelicals. A graduation for students will follow on the 19th.
- From the 18th of August various QATI's will take place across Asia including Nepal and Medan and Jakarta in Indonesia.

- On the staff front we say a sad goodbye to Megan Braithwaite who served as the Donor Relations Coordinator over the last year. We are grateful for all she has contributed to Re-forma. Ryan van Rensburg joined Re-forma in June as the IT and Donor Relations Manager.

Re-Forma: My Daily Manna, My Fuel for the Mission

In the midst of spiritual battles and moments of weariness, **Re-Forma Nepal**, led by **Pastor Harka Bahadur Khadka**, has been a constant stream of encouragement for me. The **37 Outcomes of Re-Forma** have become more than a framework — they are the **foundation** of my walk with God and my ministry to others. These outcomes guide me:

- To rightly **handle God's Word**
- To share my **faith clearly and courageously**
- To lead others into **discipleship and spiritual maturity**
- To persevere in **faith, holiness, and humility** even in the face of opposition

"Re-Forma is not just a training course — it is my **spiritual compass**. It gives clarity when I'm confused, strength when I'm weak, and boldness when I'm afraid."

Each outcome lights a fire in my heart and fuels my feet to keep walking to the next village, the next house, the next heart. Even when no one listens, I know that **God sees, God speaks, and God is with me.**

A Heartfelt Thank You

To the **Re-Forma Nepal family**: thank you from the depths of my heart. You may never visit these mountain paths, but through your words and prayers, you are here — with me, and with many other frontline workers across Nepal. You are not only teaching theology; you are **sending light into the darkest valleys.**
