Thanksgiving!

We are coming to the end of a busy and fruitful year at Re-Forma. It is fitting that we give praise and honour to our Lord Jesus for his faithful provision throughout this year. 1 Thessalonians 5:16-18 tells us that it is **God's will** that we **rejoice always, pray without ceasing** and **give thanks in all circumstances**. Circumstances are not always easy and God brings trials to test our faith. With the tremendous growth we have experienced in group enrolment, additional staff, and quality assurance training institutes, finances have not always been immediately available to do the things we have wanted to do. This year God has indeed taught us to rejoice always, pray without ceasing and give thanks in all circumstances.

Testimonies

I thank the Re-Forma team for the teachings on mission leadership and becoming more effective disciple makers.

- The teachings helped me overcome challenges and live a life pleasing to God.
- I can now motivate and involve others in the mission by uniting them with God's love.
- The example set empowers me to do ministry and make disciples.
- Thank you for your commitment to the financial process. All success is by the power of God.

I learned to live simply like Jesus, which eliminated my anxiety about worldly wealth and gave me a stress-free life trusting God for all my needs.

The training taught me to have peace and thank God even in difficult circumstances (1 Thess. 5:18), and to be constantly prayerful.

I now commit to leading by example—practicing what I preach—and ensuring I take necessary rest from ministry busyness.

The biggest practical benefit is the certificate, which gives me the confidence and necessary documentation to continue preaching the gospel in rural areas without legal hindrance.

I am extremely thankful to Re-forma for the simple, practical, and transformative training. It challenged my entire perspective on ministry.

I now consistently take time to reflect on my faith, actively embracing and practicing the Fruit of the Spirit, particularly humility, integrity, and simplicity, as a reflection of Christ's character.

The assessment on preparing to preach now helps me prayerfully create sermons that are honest, impactful, and solely focused on lifting up Christ.

The knowledge gained has also taught me to organize and administrate the church effectively by planning with integrity, serving rather than being served, respecting all levels of ministry, and remembering to practice self-care and rest.
