

The Re-Forma

Informa

October 2024 (Issue #6)

Our Vision

To ensure that millions of pastors and church leaders are biblically-trained by providing a recognised, global standard for outcome- and impact-based assessment.

Our Terminology

Group: A “classroom” of student church leaders being trained in the Re-Forma outcomes.

Outcomes: The standard set by Re-Forma and endorsed by the World Evangelical Alliance that marks a competent church leader at a middle tier level.

Facilitator: One who registers, teaches and assesses his/her group according to the Re-Forma outcomes, whether they be pastors, teachers or others.

QAI: Quality Assurance Institute events provide specific training in various aspects of Re-Forma outcomes to potential and existing facilitators.

Our Impact

Hot off the press is our most recent testimony from a pastor in Nepal in response to our recent QAI there (see more details on the next page):

“People are now having more regular church attendance, now feeling encouraged for evangelism, their prayer life, and their personal life - it's had an incredible impact in their lives! Even their family issues have been resolved. Now they are at peace within their families, in the fear of the Lord... One has already started a church... I'm convinced that this program Re-Forma has brought to Nepal will multiply the church leadership and church multiplication will also happen.”

Since our last Newsletter

- Since our last newsletter (June 2024), we conducted QAIs in Monrovia (Liberia), and Pokhara (Nepal) - which also included a national launch of Re-Forma. The church in Nepal is relatively young, but accelerating in growth. It is a privilege to play a part in the spiritual development and kingdom advancement in that country.
- Graduation ceremonies and the issuing of Re-forma certificates continues to be great source of joy as we see more and more pastors and church leaders not only completing their training, but also demonstrating godliness. This continues to have personal impact, both for students and for their local church communities.
- Over 20 of our Kenyan facilitators were given the opportunity to be trained as RPL (recognition of prior learning) assessors for the Kenyan department of higher education. This bears testimony to the high regard with which the Re-Forma standard is held.

Coming Up

Please join us in praying for the following scheduled QAIs for the first half of 2025:

- Havana (Cuba) 3-6 February
- Guatemala 10-13 February
- Bujumbura (Burundi) 13-16 May
- Kigali (Rwanda) 18-21 May
- Mombasa (Kenya) 24-27 June

If you would like to find out more about these events or to register for them, please see our website.

"Now people are radically praying. I can see a lot of change. People are growing spiritually...They have a heart that is ready to worship."

A number of our staff, board, advisory council and donors were able to attend the Fourth Lausanne Congress in Seoul, South Korea. Not only was it a blessed time of spiritual renewal and hearing from God, but it was also a time of making significant connections and new friendships.

A Featured Outcome

See an example of an outcome from our set of 36 outcomes that reflect what we believe pastors need to be able to know, do and be to be deemed competent.

Outcome 1.1

The student must demonstrate competency in achieving the following outcome:

“Bear the fruit of the Spirit in all areas of life and practise humility, integrity and simplicity.”

This outcome requires students to know what the fruit of the Spirit are, and demonstrate that these fruit are an integral part of their lives. See our [website](#) for many wonderful resources to assist in achieving this outcome.
